

Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on student well-being through building healthy relationships. This year we will be inviting our community into our classrooms.

We are doing this to see a positive improvement in student well-being and engagement.

Throughout the year, we will:

1. Host community events (Meet the Families, Books for Breakfast, Coffee and Conversations)
2. Invite parent/guardian presenters into our classes to present on applicable themes/subjects.
3. Celebrate students through the C.A.R.E. initiative acknowledging positive acts.
4. Host monthly Spirit Days to promote a positive school climate.
